

## **FIRST SELECTMAN ISSUES STATEMENT TO COMMUNITY REGARDING ONGOING CONSTRUCTION AT TRUMBULL HIGH SCHOOL**

July 5, 2012 - First Selectman Timothy M. Herbst issued the following statement concerning upcoming construction and repaving at Trumbull High School:

Starting on Monday, July 9, 2012, the Town of Trumbull will commence paving of the parking lots and driveways at Trumbull High School. This repaving effort will be concurrent with the ongoing internal renovations of the existing building. We are currently in the final phase of internal renovations at Trumbull High School. All Trumbull residents should be advised that there will be no public access allowed to Trumbull High School for the entire summer. Any resident that tries to access fields or tennis courts at Trumbull High School will have to park in the front or rear of Hillcrest Middle School and walk across the fields to get to their destination. We apologize for the inconvenience, but it is necessary that this work be completed in order for the renovation project to be completed in a safe and timely fashion. We will be updating the community throughout the summer concerning Town roadways to be repaved as well. Thank you for your patience and cooperation.
